

General Wish List for the Art Department

Anything you can donate from the list would be greatly appreciated and it is for the benefit of all the students at MCA. If you are purchasing your child's school supplies and want to add a few extra or a gift card (Target, Blick's, or Michael's) to be used for the below supplies or for acrylic/tempera paint, it would be awesome!

I will do my best to respond quickly with a text at 612.210.9065, if you have any questions while shopping. Suzanne Elmer, Art Teacher
